Tembo Global Industries Secures Domestic Order for Water Irrigation Project Worth INR 40.73 Crore

Tembo Global Industries Ltd. (TGIL), a leading industrial company specializing in metal components and solutions, is pleased to announce the successful acquisition of a significant domestic order in the water irrigation sector. The company has secured a contract valued at INR 407,342,648.31 (Forty Crore Seventy Three Lakh Forty Two Thousand Six hundred Forty Eight and Thirty one Paise only) for the supply of Ductile Iron (DI) pipes for a water irrigation project. This order, which will be executed over the next 12 months, marks a key milestone for Tembo Global Industries and reinforces its growing footprint in the water and infrastructure sectors.

Commenting on the achievement, **Mr. Sanjay J. Patel, Managing Director of Tembo Global Industries Ltd.**, stated, “We are excited to secure this prestigious order, which reflects our expertise and commitment to serving the infrastructure and water management sectors. This order further strengthens our position in the domestic market and underscores our dedication to delivering high-quality, sustainable solutions that meet the growing demands of water irrigation projects. We look forward to successfully executing this project and continuing to build long-term partnerships in the infrastructure domain.”

About Tembo Global Industries Ltd. (TGIL)

Incorporated in 2010, Tembo Global Industries stands as a prominent entity in the industrial sector, specializing in the production and assembly of metal components for Pipe Support Systems, Fasteners, Anchors, HVAC, Anti-Vibration Systems, and Equipment for a range of installations including industrial, commercial, utility, and OEM. The company also engages in the trade of metal products that complement its manufacturing operations. The Company is a fabrication and installation specialist in ductile pipes, HDB pipes and fittings, and MS plate. Its products are certified and approved by Underwriter’s Laboratory Inc. (USA) and FM Approval (USA) for Fire Sprinkler System Installations. As an export-driven enterprise, Tembo has earned the distinction of a 2 Star Export House. In 2023, Tembo ventured into the EPC (Engineering, Procurement, and Construction) contracting arena, securing orders from prestigious infrastructure clients. Additionally, the Company has interests in the textile trading market. In 2024, the Company further diversified into manufacturing of defence products and entered in solar power.
