A sense of restraint and responsibility on the part of all concerned is critical for the effective functioning of these guidelines. The preventive / informal process that can be adopted is as follows:

1. Convey to the person who is the cause of distress, about what that person's actions, words, behavior is doing and convey in no uncertain terms that such behavior is not appreciated. What is important is the –Wayll a particular behavior, action or word is perceived; –Intentll is of no consequence.

3. In any case all such incidents along with the resolution, needs to be reported to the Head of HR who will then provide a short report to the Internal Complaints Committee and the matter will be closed.
4. However, in the event of it not being resolved, then it would need to be escalated to the Internal Complaints Committee.

In the event of the complaint, not being resolved through informal mechanism, then it would need to be escalated to the Internal Complaint Committee for redressal.

1. It is the obligation of all employees to report sexual harassment experienced by them personally. A concerned co-worker may also inform the Complaints Committee of any instance or behavior of sexual harassment by a co-worker towards another employee.
2. The concerned employee shall give his complaint in writing to any of the committee member giving details of the incident within a week of its occurrence.
3. Once the complaint is received, it will be kept strictly confidential.
4. The person accused will be informed that a complaint has been filed against him/her and no unfair acts of retaliation or unethical action will be tolerated. The Committee shall ensure that a fair and just investigation is undertaken immediately.
5. Both the complainant and the alleged accused initially will be questioned separately with a view to ascertain the veracity of their contentions. If required, the person who has been named as a witness will need to provide the necessary information to assist in resolving the matter satisfactorily.
6. The Chairperson after studying the report & discussion with the Committee members shall submit her recommendation to the Executive Director within 10 days of completing the inquiry.

MANAGEMENT DISCUSSION AND ANALYSIS

INTRODUCTION AND OVERVIEW

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. India's real gross domestic product (GDP) at current prices stood at Rs. 195.86 lakh crore (US\$ 2.71 trillion) in FY21, as per the second advance estimates (SAE) for 2020-21.

India is the fourth-largest unicorn base in the world with over 21 unicorns collectively valued at US\$ 73.2 billion, as per the Hurun Global Unicorn List. By 2025, India is expected to have ~100 unicorns by 2025 and will create ~1.1 million direct jobs according to the Nasscom-Zinnov report 'Indian Tech Start-up'.

India needs to increase its rate of employment growth and create 90 million non-farm jobs between 2023 and 2030's, for productivity and economic growth according to McKinsey Global Institute. Net employment rate needs to grow by 1.5% per year from 2023 to 2030 to achieve 8-8.5% GDP growth between 2023 and 2030. India's foreign exchange reserves stood at US\$ 582.04 billion, as of March 12, 2021, according to data from RBI.

(Source: <https://www.ibef.org/economy/indian-economy-overview>)

India implemented a strict lockdown approach in 2020 to curtail spreading of the coronavirus outbreak and concentrate on expanding the country's infrastructure & health facilities. According to the Economic Survey 2020-21, the lockdown was a critical element in 'flattening the curve' and saving people's lives.

The second phase of the COVID-19 vaccine drive started on March 1, 2021 for all people over the age of 60, as well as those aged 45 and above who have co-morbid conditions. The country administered >6.5 crore first doses (4.8% of the current population) and 1 crore second doses (0.7% of the current population). The vaccination coverage is expected to expand further with the third phase of the vaccination drive (started on April 1, 2021) including individuals aged 45+. On April 1, 2021, India set a record for vaccination coverage by achieving the highest single-day figure of >36.7 lakh vaccinations in 24 hours.

India also provided 6.4 crore vaccine doses to 84 countries through various modalities including grants in aid, gifts, commercially and through the WHO-GAVI COVAX collaboration, as of April 2, 2021. India's vaccine strategy comes at a time when the global community is alarmed about 'vaccine nationalism' and the supply is inadequate.

In April-December 2020, India registered a current account surplus of US\$ 32.4 billion (1.7% of the GDP). From October 2020 to February 2021, the central government's capital expenditure increased by 104.4% YoY. According to the Comptroller and Auditor General (CAG), the gross capital expenditure of 25 states increased by 7.29% YoY in the third quarter of FY21. Impact on the country's overall economy is reflected in an improvement in real GDP growth (0.4%) and real gross fixed capital formation that expanded at 2.6% in the third quarter of FY21.

With a majority of high-frequency indicators continuing to strengthen in FY21, economic recovery is expected to strengthen further in FY22.

According to the second advance estimates (AE) for FY21, the agricultural sector is expected to achieve a good harvest. Food grain output has reached 303.3 million tonnes in FY21 owing to regular monsoons. Production of oilseeds increased by 12.3% and sugarcane by 7.3% in FY21.

Employment demand under the Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS)

improved significantly, with 383.8 crore man-days of work (a 44.7% YoY increase) recorded under the scheme in FY21.

In March 2021, the Manufacturing Purchasing Managers' Index (PMI) in India stood at 55.4. Conditions in the manufacturing sector are gradually improving with firms boosting production and witnessing increased revenue. Growth in infrastructure and construction goods production increased to 5.0% in the third quarter of FY21.

Power consumption increased 22.8% in March 2021, driven by increasing mercury levels and rising demand for commercial and industrial electricity.

In February 2021, strong demand renewal continued, with passenger vehicle and two- and three-wheeler combined sales increasing by 17.9% and 8.8%, respectively. An increase in port traffic and railway freight was recorded, indicating increased industrial development. In February 2021, port traffic increased by 1.9% for the fourth month in a row, reflecting a sustained expansion of economic activity.

Railway freight continued to increase in March 2021 at 23.7% YoY.

GST collections stood at Rs. 123,902 crore (US\$ 16.58 billion) in March 2021, a 27% YoY growth.

In April 2020-February 2021, the Centre's Net Tax Revenue increased by 9.1% YoY owing to ~60% YoY increase in excise duty collection and a 7.4% YoY increase in customs revenue.

In March 2021, 7.12 crore e-way bills were issued—the highest number in three years.

In March 2021, the Indian basket of crude oil reached US\$ 64.7 a barrel, compared with the average crude oil prices of US\$ 61.2 a barrel in February 2021, boosted by variations in international crude oil prices, which were driven by vaccination optimism and demand rebound.

In March 2021, merchandise exports increased to US\$ 34 billion, an increase of 58.2%, driven by strong performance from key sectors such as pharmaceuticals, gems & jewellery and engineering.

The RBI has conducted open market purchases worth Rs. 3.17 lakh crore (US\$ 42.43 billion) in FY21, until March 2021, to maintain sufficient liquidity in the system. Daily net liquidity absorption under the liquidity adjustment facility (LAF) averaged at Rs. 6.4 lakh crore (US\$ 85.67 billion) in February 2021 and Rs. 5.5 lakh crore (US\$ 73.62 billion) in March 2021, indicating that systemic liquidity remained accommodating.

In FY21, foreign portfolio investment (FPI) inflows in India stood at US\$ 36.2 billion (until March 30, 2021).

In FY21, the domestic equity markets recovered to register a 71% increase in Nifty-50 and 68% in Sensex.

As of March 19, 2021, India's foreign exchange reserves stood at US\$ 582.27 billion, an increase of US\$ 142.6 billion over March 2020.

On March 25, 2021, the Lok Sabha and Rajya Sabha passed the National Bank for Financing Infrastructure and Development Act, 2021. The National Bank for Financing Infrastructure and Development (NaBFID) is being developed as a development finance institution (DFI) with the aim of achieving a lending portfolio of Rs. 5 lakh crore (US\$ 66.93 billion) in three years. NaBFID will also complement the government's continuing steps to enhance resources for infrastructure projects worth Rs. 111 lakh crore (US\$ 1.49 trillion) by 2024 under the National Infrastructure Pipeline (NIP).

The budgeted outlay for capital expenditure for FY22 has been increased by 34.5% over FY21 (BE), with emphasis on railways, highways, urban transportation, electricity, telecom, textiles and affordable housing, as well as continued focus on the NIP.

The limit on foreign investments in Indian insurance companies has been increased from 49% to 74%, as stated in the Union Budget. The act would enable foreign insurance firms to take a more strategic and long-term approach to India's insurance market, bringing in more long-term resources, global technology, processes and international best practices.

A significant recovery in investment growth, backed by the Atmanirbhar Bharat Mission (self-reliant India), and a substantial increase in infrastructure and capital expenditure proposed in the Union Budget 2021-22 will be instrumental in this robust recovery. The wheels of India's capex cycle have begun to turn, with signs of progress expected in the second half of the year.

India has been well equipped to tackle any risk exposure raised by the recent increase in COVID-19 reports as the vaccination campaign continues to scale up in India, driven by best practices from the country's effective management of the pandemic in its first wave. With the end of a challenging FY11, India looks forward to a stronger and more self-sufficient FY22.

India's Economic Performance in 2020-21

India's real GDP to record a growth of 11 per cent in 2021-22 and nominal GDP by 15.4 per cent- the highest since independence. The V-shaped economic recovery is supported by the initiation of a mega vaccination drive with hopes of a robust recovery in the services sector and prospects for robust growth in consumption and investment. The Union Minister for Finance & Corporate Affairs, Smt Nirmala Sitharaman presented the Economic Survey 2020-21 in Parliament today, which states that the rebound will be led by the low base and continued normalization in economic activities as the rollout of COVID-19 vaccines gathers traction. The fundamentals of the economy remain strong as gradual scaling back of lockdowns along with the astute support of Atmanirbhar Bharat Mission have placed the economy firmly on the path of revival. This path would entail a growth in real GDP by 2.4 percent over the absolute level of 2019-20-implies that the economy would take two years to reach and go past the pre- pandemic level. These projections are in line with IMF estimate of real GDP growth of 11.5 per cent in 2021-22 for India and 6.8 per cent in 2022-23. India is expected to emerge as the fastest growing economy in the next two years as per IMF. (Source: <https://pib.gov.in/PressReleasePage.aspx?PRID=1693232>)

- India's real GDP to record a 11.0% growth in FY2021-22 and nominal GDP to grow by 15.4%.
- India expected to have a Current Account Surplus of 2% of GDP in FY21, a historic high after 17 years.
- India remained a preferred investment destination in FY 2020-21 with FDI pouring in amidst global asset shifts towards equities and prospects of quicker recovery in emerging economies:
 - Net FPI inflows recorded an all-time monthly high of US\$ 9.8 billion in November 2020, as investors' risk appetite returned.
 - India was the only country among emerging markets to receive equity FII inflows in 2020.
- V-shaped recovery is underway, as demonstrated by a sustained resurgence in high frequency indicators such as power demand, e-way bills, GST collection, steel consumption, etc.
- India became the fastest country to roll-out 10 lakh vaccines in 6 days and also emerged as a leading supplier of the vaccine to neighboring countries and Brazil.
- India adopted a four-pillar strategy of containment, fiscal, financial, and long-term structural reforms:
 - Calibrated fiscal and monetary support was provided, cushioning the vulnerable in the lockdown and boosting consumption and investment while unlocking.
 - A favorable monetary policy ensured abundant liquidity and immediate relief to debtors while unclogging monetary policy transmission.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 2 of the accompanying standalone financial statements which describes the Management's evaluation of impact of uncertainties related to Covid-19 pandemic.

Our Opinion is not qualified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How are audit addressed the key audit matter
Capital Expenditure for Expansion	
During the year under review the company has undertaken substantial expansion of the company's business and has purchased land at Vasai. The Company has committed substantial capital expenditure for development of land, manufacturing facilities including construction of factory shed, purchase of plant & machineries and other capital expenditure. This being a major expansion phase and the same has been considered as Key Audit Matter.	<ul style="list-style-type: none">- We have understood the management's decision making process, the steps and procedures involved in acquisition of land, verification of title deeds, 7/12 extract, agreements and other related formalities and documentation connected therewith.- The Company is in the process of placing orders for setting up of manufacturing facilities for which commitments have been made by the management and the same is verified with proforma invoices, Board Resolutions for capital expenditure and prima facie appears to be in order.

Responsibility of Management for the Standalone Financial Statements

The company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objective are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- * Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances under section 143 (3) (i) of the Act. We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- * Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“Annexure -B” to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **TEMBO GLOBAL INDUSTRIES LIMITED (Formerly Known as SAKETH EXIM LIMITED)** (“the Company”) as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note 2 of the accompanying consolidated financial statements which describes the Management's evaluation of impact of uncertainties related to Covid-19 pandemic.

Our Opinion is not qualified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How are audit addressed the key audit matter
Capital Expenditure for Expansion	
During the year under review the Holding Company has undertaken substantial expansion of the company's business and has purchased land at Vasai. The Holding Company has committed substantial capital expenditure for development of land, manufacturing facilities including construction of factory shed, purchase of plant & machineries and other capital expenditure. This being a major expansion phase and the same has been considered as Key Audit Matter.	<ul style="list-style-type: none">- We have understood the group's management decision making process, the steps and procedures involved in acquisition of land, verification of title deeds, 7/12 extract, agreements and other related formalities and documentation connected therewith.- The Holding Company is in the process of placing orders for setting up of manufacturing facilities for which commitments have been made by the management and the same is verified with proforma invoices, Board Resolutions for capital expenditure and prima facie appears to be in order.

Other Information

The Holding Company's management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so consider whether

the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("hereinafter referred as the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- * Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances under section 143(3)(i) of the Act. We are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- * Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- * Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditor such other auditor remain responsible for

the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have compiled with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

“Annexure – A” TO THE INDEPENDENT AUDITORS’ REPORT on Consolidated Financial Statements

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of consolidated financial statements of the company as of and for the period ended March 31, 2021, we have audited the internal financial controls over financial reporting of **Tembo Global Industries Limited (Formerly known as Saketh Exim Limited)** (“the Holding Company”) and its subsidiary (the holding company and its subsidiary together referred to as “the Group”) for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors and its subsidiary all incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance

Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization's of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors as referred to in the Other Matters paragraph the Holding Company and its Subsidiary have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by these entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over the financial reporting in so far as it relates to subsidiary companies, which is the Company incorporated in India and abroad, is based on the corresponding reports/management certification of the auditors of such Company incorporated in India and abroad. Our opinion is not qualified in respect of this matter.
