Tembo Global Industries Declared as Lowest Bidder (L1) for a Prestigious Water Treatment Plant Project in Northern India

Mumbai, December 08, 2024: Tembo Global Industries Limited (NSE: TEMBO), a prominent player in the industrial sector with expertise in engineering mechanics, design, and project execution, is pleased to announce that the Company has been declared the L1 bidder for subcontracting work at one of the largest water treatment plant projects in North India.

This prestigious project, funded by the World Bank, is estimated to be worth ₹1500 crores, will see Tembo Global Industries receiving a substantial portion of the overall project expenditure. The groundbreaking ceremony for the project was successfully held on 6th December 2024, marking the beginning of this ambitious initiative. Tembo Global Industries' selection as the L1 bidder is a testament to its technical expertise, capabilities, and commitment to delivering high-quality solutions.

Commenting on this significant development, Managing Director of Tembo Global Industries, Mr. Sanjay J. Patel said: *"We are honoured to have been selected for this prestigious project. Our team is committed to delivering exceptional results and contributing to the success of this critical infrastructure project. We extend our heartfelt gratitude to our team for their relentless pursuit of excellence and to our partners for their trust and collaboration. Together, we embark on this journey to innovate and execute solutions that will significantly contribute to the advancement of water treatment infrastructure in the region."*

About Tembo Global Industries Ltd. (TGIL)

Incorporated in 2010, Tembo Global Industries stands as a prominent entity in the industrial sector, specializing in the production and assembly of metal components for Pipe Support Systems, Fasteners, Anchors, HVAC, Anti-Vibration Systems, and Equipment for a range of installations including industrial, commercial, utility, and OEM. The company also engages in the trade of metal products that complement its manufacturing operations. The Company is a fabrication and installation specialist in ductile pipes, HDB pipes and fittings, and MS plate. Its products are certified and approved by Underwriter's Laboratory Inc. (USA) and FM Approval (USA) for Fire Sprinkler System Installations. As an export-driven enterprise, Tembo has earned the distinction of a 2 Star Export House. In 2023, Tembo ventured into the EPC (Engineering, Procurement, and Construction) contracting arena, securing orders from prestigious infrastructure clients. Additionally, the Company has interests in the textile trading market. In 2024, the Company further diversified into manufacturing of defence products and entered in solar power.
